

## INTRODUCTION

The Conference of the Parties at its seventh meeting mandated the Secretariat to prepare compilation documents based on the data and information provided by Parties for the year 2003 and to make it available to Parties and non-Parties (Decision VII/35). In September 2004, the Secretariat sent the revised questionnaire on 'transmission of information' to Parties to report data and information for the year 2003. The Secretariat was able to send the questionnaire with its part I and part II Section A (Tables 8A and 8B) pre-filled to those Parties, which had reported in time for the year 2002 or for the previous years. As at 8 November 2005, Ninety-seven<sup>1</sup> Parties transmitted their updated/completed the questionnaires to the Secretariat. A cut-off date was set to 30 September 2005 to compile the current compilation<sup>2</sup>. Fifty-two<sup>3</sup> Parties did not report for the year 2003.

The information reported by Parties for the year 2003 has been entered into the Reporting Database of the Secretariat and the reports generated by the database, have been collated and presented as the Compilation Part I. For reasons of economy, the Compilation Part I is made available only on the Secretariat's web site ([www.basel.int](http://www.basel.int)).
