<i>Remarks 2007</i>	Please note that if Table 9 refers to notifications that did not proceed as normal, then there are no incidents to report for this period.				
	However, please note that on 18 September 2007 Ireland's National Transfrontier Shipment Office (NTFSO) was informed by VROM, Netherlands, of an illegal load of 3.115 tonnes of WEEE (EWC 20 01 35*, A1180), travelling to Malaysia under Annex VII documentation, inspected by the Dutch authorities on the 24 August 2007, which is prohibited under Article 36 of Regulation EC 1013/2006 (export of waste to non-OECD countries). This load was subject to the procedure of repatriation under a TFS notification issued by the Dutch authorities, and was successfully repatriated on 11 August 2008.
