

OEWG-10/9: Partnership for Action on Computing Equipment

The Open-ended Working Group

1. *Takes note* of the progress made in the implementation of the Partnership for Action on Computing Equipment, including the draft revised section 3 of the guidance document on the environmentally sound management of used and end-of-life computing equipment¹ and the draft concept for a follow-up partnership to the Partnership for Action on Computing Equipment;²
2. *Invites* Parties and others to submit comments on the draft revised section 3 of the guidance document and the draft concept for a follow-up partnership referred to in paragraph 1 above to the Secretariat by 15 September 2016;
3. *Requests* the Partnership Working Group to revise section 3 of the guidance document, taking into account comments made during the tenth meeting of the Open-ended Working Group and comments submitted pursuant to paragraph 2 above, for submission to the Conference of the Parties at its thirteenth meeting for its consideration and possible adoption;
4. *Also requests* the Partnership Working Group to revise the draft concept for a follow-up partnership, taking into account comments made during the tenth meeting of the Open-ended Working Group and comments submitted pursuant to paragraph 2 above, for consideration by the Conference of the Parties at its thirteenth meeting;
5. *Requests* the Secretariat to prepare a draft decision on the establishment of a follow-up partnership for consideration by the Conference of the Parties at its thirteenth meeting;
6. *Takes note* of the manual on steps to establish and implement environmentally sound management of used and end-of-life computing equipment³ and encourages Parties and others, particularly countries where environmentally sound management is not fully established, to use it.
