

Geneva, 23 May 2014

Madam Chair, Members of the Committee,

**Re: Submission by the Secretariat of the Basel Convention to the Committee Administering the Mechanism for Promoting the Implementation and Compliance of the Basel Convention regarding Palau (CHW/CC/9c/2014/2)**

I am writing with reference to paragraph 9 (c) of the terms of reference of the Mechanism for Promoting Implementation and Compliance of the Basel Convention whereby the Secretariat may make a submission to the Committee administering the Mechanism “if, while acting pursuant to its functions under Articles 13 and 16, it becomes aware of possible difficulties of any Party in complying with its reporting obligations under paragraph 1 of Article 3, paragraph 1 of Article 4, Article 5 and paragraphs 2 and 3 Article 13 of the Convention, provided that the matter has not been resolved within three months by consultation with the Party concerned”.

With this letter, the Secretariat respectfully makes a submission to the Committee, on the basis of the aforementioned paragraph 9 (c), with respect to Palau. As a Party to the Basel Convention since 2011, Palau is among the Parties to the Convention that have not designated a focal point and one or more competent authorities as required under Article 5 of the Basel Convention.

On 15 January 2014, the Secretariat initiated consultations with Palau, through the Permanent Mission of The Republic of Palau to the United Nations in New York, in an effort to identify whether this Party was facing difficulties in complying with its obligation to designate a focal point and one or more competent authorities as required under the Convention and to possibly resolve the matter by 15 April 2014. This letter is attached for your convenience. A reminder was sent by email on 20 March 2014. On 7 April 2014 further communications were also undertaken with Palau through its National Ozone officer who informed the Secretariat that the Ministry of State had yet to decide which agency would be the designated focal point.

Members of the Committee Administering the Mechanism for Promoting the Implementation and Compliance of the Basel Convention

---

The Secretariat sent reminders on 2 May and 16 May, and has not received further information from Palau with respect to this matter that, as a consequence, remains unresolved. The Secretariat trusts that Palau may be facing possible difficulties in complying with its obligation under Article 5 of the Convention to designate a focal point and one or more competent authorities.

The Secretariat thanks the Committee for its consideration of this submission and remains at the disposal of the Committee for further information.

Yours sincerely,

Kerstin Stendahl  
Executive Secretary *ad interim*
