Ref. 2.5.1 JVK

Geneva, 12 November 2010

Madam Chair, Members of the Committee,

Re: Submission by the Secretariat of the Basel Convention to the Committee Administering the Mechanism for Promoting the Implementation and Compliance of the Basel Convention regarding Swaziland (CHW/CC/9c/2010/8)

I am writing with reference to paragraph 9 (c) of the terms of reference of the Mechanism for Promoting Implementation and Compliance of the Basel Convention whereby the Secretariat may make a submission to the Committee administering the Mechanism "if, while acting pursuant to its functions under Articles 13 and 16, it becomes aware of possible difficulties of any Party in complying with its reporting obligations under Article 13, paragraph 3, of the Convention, provided that the matter has not been resolved within three months by consultation with the Party concerned".

With this letter, the Secretariat respectfully makes a submission to the Committee, on the basis of the aforementioned paragraph 9 (c), with respect to Swaziland. complying with its reporting obligations under the Convention and to possibly resolve the matter by 7 December 2009. Attached to the letter sent to Swaziland was a Questionnaire aimed at providing Swaziland with the opportunity to communicate to the Secretariat the nature of the possible difficulties faced by this Party as well as its views on how best these difficulties might be addressed. Both documents, sent by postal mail, are attached to this letter.

The Secretariat has not received a response from Swaziland with respect to this matter that, as a consequence, remains unresolved. The Secretariat trusts that Swaziland may be facing possible difficulties in complying with its reporting obligations under Article 13 paragraph 13 of the Convention.

The Secretariat thanks the Committee for its consideration of this submission and remains at the disposal of the Committee for further information.

Yours sincerely,

Katharina Kummer Peiry
