

**VI/22. Technical Guidelines for the Environmentally Sound Management of Waste Lead-acid Batteries**

The Conference of the Parties,

Welcoming the adoption by the Technical Working Group of the Technical Guidelines for the Environmentally Sound Management of Waste Lead-acid Batteries,

Noting with appreciation the leading role played by Brazil in the preparation of the Technical Guidelines,

1. Adopts the Technical Guidelines for the Environmentally Sound Management of Waste Lead-acid Batteries (UNEP/CHW.6/22);
2. Requests the secretariat to disseminate the Technical Guidelines to Parties, non-governmental organizations and industry in all United Nations languages as appropriate;
3. Invites Parties and others to use the Technical Guidelines and to report to the Conference of the Parties at its next meeting, through the secretariat, on their experience and any difficulties or obstacles
