

OEWG-10/12: Cooperation with the World Customs Organization on the Harmonized Commodity Description and Coding System

The Open-ended Working Group

1. *Takes note* of the information provided in the note by the Secretariat on cooperation with the World Customs Organization on the Harmonized Commodity Description and Coding System;¹

2. *Requests* the Secretariat to prepare for consideration by the Conference of the Parties at its thirteenth meeting a report outlining the status of the work of the World Customs Organization on the Harmonized Commodity Description and Coding System related to the Basel Convention, including a list of all relevant proposals for new and revised Harmonized System entries under consideration by the World Customs Organization, including for waste end-of-life vehicles, electrical and electronic waste and waste pneumatic tyres.
